***"To Enrich Lives Through Effective And Caring Service"***

### **PURPOSE/JUSTIFICATION OF THE RECOMMENDED ACTION**

Operation Medical Support is a pilot project to improve the health and well-being of families by increasing enrollment of children in Los Angeles County into private medical insurance plans. This project will allow the Child Support Services Department (CSSD) to find and pursue employer sponsored medical insurance plans available to case participants in its caseload.

Pursuant to California Welfare & Institution Code Section 903 and California Family Code Section 17402, CSSD is mandated to establish support orders that include medical insurance coverage for the children in its caseload. Through Operation Medical Support, CSSD plans to enhance the ability of children and families to access quality health care. The Contractor will provide CSSD with health insurance information for parents who failed to enroll their children in available employer sponsored health care through national commercial carrier matches, wage/new hire matches and DEERS/Champus matches. The County's ability to implement proper support orders, including the medical insurance portion, relies upon the CSSD's ability to ascertain whether a noncustodial parent has a private medical insurance plan under which their child could be enrolled. Operation Medical Support and the proposed contract with the Health Management Systems, Inc. (HMS) will greatly help the CSSD's ability to find private medical insurance for the children for whom it establishes orders.

The contractor provides health insurance identification for Title IV-D dependents and their noncustodial parents through Data Mining Services using national commercial carrier matches. The medical insurance information received will be used for the purpose of enrolling the children in the medical insurance plans available through their parent's employers. CSSD wishes to contract with HMS to utilize the health insurance identification services. Grant funds and a federal match will be used to cover the cost of HMS's services and to reimburse the department for salary and employee benefits for two (2) Child Support Officers II's (CSO) that will be reassigned to work exclusively on this project full-time. The CSO will follow-up on the information provided by HMS and work with noncustodial parents, employers and insurance companies in an effort to enroll eligible children in available health insurance plans.

### **Implementation of Strategic Plan Goals**

Acceptance of the grant and approval of the Contract with the Health Management Systems supports the County's Strategic Plan Goal No. 5, "Children and Families Well-Being," by enhancing the ability of children and families to access quality health care paid for by private insurance companies.

### **FISCAL IMPACT/FINANCING**

Following approval by your Board, \$145,453.00 will be awarded by the County of Los Angeles Quality and Productivity Commission to CSSD. In Fiscal Year 06-07, \$72,351.00 will be provided, and in Fiscal Year 07-08, \$73,102.00 will be provided. CSSD has submitted a request for a federal match of these funds in the amount of \$282,349.12. The remaining program costs are in the form of in-kind contributions in the amount of \$367,914.31. The recommended action does not result in net county cost. The total project cost for FYs 06-07 and 07-08 are \$795,716.43.

The maximum contract sum to HMS will not exceed \$105,000.00 in contract year 06-07 and the maximum contract sum will not exceed \$105,000.00 in contract year 07-08.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The County of Los Angeles Quality and Productivity Commission awarded CSSD a PIF grant in the amount of \$145,453.00 to assist in the funding of "Operation Medical Support." (Attachment B). On July 11, 2000, your Board approved guidelines for the acceptance of any grants of \$100,000.00 or more. These guidelines include a requirement that County departments prepare a Grant Management Statement for your review prior to the departments carrying out the activities covered under the grant. Accordingly, the Grant Management Statement for this grant is enclosed for your review (Attachment A). CSSD seeks delegated authority for the Director of CSSD to execute the grant agreement documents and any authorized amendments with the County of Los Angeles Quality and Productivity Commission.

The PIF grant funding is currently available for a renewal in FY 07-08. The maximum contract sum for the first one-year term, which is payable for the health insurance identification services, shall not exceed \$105,000. Either party may terminate the contract with a thirty (30) day written notice. The contract has been reviewed by County Counsel and CAO.

### **CONTRACTING PROCESS**

On August 1, 2006, the Child Support Services Department released the Health Insurance Information (Data Mining) Services (RFP). Information regarding the Request for Proposals (RFP) was advertised in the La Opinion News, Los Angeles Times, Daily News Los Angeles, Antelope Valley Press, L.A. Watts Times, Inc. Daily Breeze and the Los Angeles County OSB website.

Seventeen (17) companies requested a copy of the Health Insurance Information (Data Mining) Services (RFP). Two (2) companies attended the mandatory Proposer's conference on August 28, 2006 and one (1) proposal was received from Health Management Systems, Inc. (HMS) on September 13, 2006.

Senior Staff from Child Support Services Department reviewed the proposal. HMS was selected because their proposal indicates that they have the experience and qualifications to perform the required services with optimal results.

The department has evaluated and determined that the Living Wage Program (County Code Chapter 2.201) does not apply to the recommended Agreement.

**IMPACT ON CURRENT SERVICES (OR PROJECT)**

There will be no impact on current County employees or on other services provided to other County Departments.

**CONCLUSION**

Instruct the Executive Officer-Clerk of the Board to send an executed copy of the approved Agreement and two copies to the Child Support Services Department, Contract Management Division, 5770 South Eastern Avenue, 3rd Floor, Commerce, California 90040, Attention: Elisha Gardner, and one executed copy of the approved Agreement with attachments to: Office of the County Counsel Attn: David Beaudet, 500 W. Temple Street, #602, Los Angeles CA 90012.

Respectfully submitted,

Philip L. Browning

Should the Contractor fail to correct deficiencies within said time frame, the Department Director may:

(a) Deduct from the Contractor's payment, pro rata, those applicable portions of the Monthly Contract Sum; and/or

8.25.3 The action noted in Sub-paragraph 8.25.2 shall not be construed as a penalty, but as adjustment of payment to the Contractor to recover the County cost due to the failure of the Contractor to complete or comply with the provisions of this Contract.

8.25.4 This Sub-paragraph shall not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in the PRS or Sub-paragraph 8.25.2, and shall not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

8.27.7 If the County finds that any provisions of this Sub-paragraph 8.27 have been violated, such violation shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Contract.

8.27.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Contract, the County shall, at its sole option, be entitled to the sum of Five Hundred Dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

8.37.2 Failure on the part of the Contractor to comply with any of the provisions of this Sub-paragraph 8.37 shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.

8.37.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

## **8.38 RECYCLED BOND PAPER**

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Contract.

## 8.39 SUBCONTRACTING

- 8.39.1 The requirements of this Contract may not be subcontracted by the Contractor **without the advance approval of the County**. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Contract.
- 8.39.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the County's request:
- A description of the work to be performed by the Subcontractor;

- 8.39.6 The County's Contract Administrator is authorized to act for and on behalf of the County with respect to approval of any subcontract and Subcontractor employees.
- 8.39.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all Subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.

Failure of the Contractor to maintain compliance with the requirements set forth in Sub-paragraph 8.14 - Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to Sub-paragraph 8.42 - Termination for Default and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

#### **8.41 TERMINATION FOR CONVENIENCE**

8.41.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.41.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall:

- Stop work under this Contract on the date and to the extent specified in such notice, and
- Complete performance of such part of the work as shall not have been terminated by such notice.

8.41.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract shall be maintained by the Contractor in accordance with Sub-paragraph 8.37, Record Retention & Inspection/Audit Settlement.

#### **8.42 TERMINATION FOR DEFAULT**

8.42.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of County's Contract Administrator:

- Contractor has materially breached this Contract; or
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any

obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

- 8.42.2 In the event that the County terminates this Contract in whole or in part as provided in Sub-paragraph 8.42.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this Sub-paragraph.
- 8.42.3 Except with respect to defaults of any Subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Sub-paragraph 8.42.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the Contractor and Subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Sub-paragraph 8.42.3, the terms "Subcontractor" and "Subcontractors" mean Subcontractor(s) at any tier.
- 8.42.4 If, after the County has given notice of termination under the provisions of this Sub-paragraph 8.42, it is determined by the County that the Contractor was not in default under the provisions of this Sub-paragraph 8.42, or that the default was excusable under the provisions of Sub-paragraph 8.42.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Sub-paragraph 8.41 - Termination for Convenience.
- 8.42.5 In the event the County terminates this Contract in its entirety due to the Contractor's default as provided in Sub-paragraph 8.42.1, the Contractor and the County agree that the County will have actual damages, which are extremely difficult to calculate and impracticable to fix and which will include, but are not limited to, the County's costs of procurement of replacement services and costs incurred due to delays in procuring such services. Therefore, the Contractor and the County agree that the County shall, at its sole option and in lieu of the provisions of Sub-paragraph 8.42.2, be entitled to liquidated damages from the Contractor,

pursuant to California Civil Code Section 1671, in the amount of Five Thousand Dollars (\$5,000) or five percent (5%) of the applicable year's Contract sum, whichever is less, as equitable compensation to the County for such actual damages. This amount of liquidated damages shall be either paid by the Contractor to the County by cash payment upon demand or, at the sole discretion of the Department Director, or designee, deducted from any amounts due to the Contractor by the County, whether under this Contract or otherwise. These liquidated damages shall be in addition to any credits, which the County is otherwise entitled to under this Contract, and the Contractor's payment of these liquidated damages shall not in any way change, or affect the provisions of Sub-paragraph 8.22 - Indemnification.

8.42.6 The rights and remedies of the County provided in this Sub-paragraph 8.42 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

#### **8.43 TERMINATION FOR IMPROPER CONSIDERATION**

8.43.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.43.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

8.43.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

#### **8.44 TERMINATION FOR INSOLVENCY**

8.44.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:

- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is

insolvent within the meaning of the Federal Bankruptcy Code;

- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or

#### **8.45 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE**

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

#### **8.46 TERMINATION FOR NON-APPROPRIATION OF FUNDS**

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

#### **8.47 VALIDITY**

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

#### **8.48 WAIVER**

No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this Sub-paragraph 8.48 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

#### **8.49 WARRANTY AGAINST CONTINGENT FEES**

- 8.49.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.
- 8.49.2 For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

#### **8.50 LOCAL SMALL BUSINESS ENTERPRISE (SBE) PREFERENCE PROGRAM**

- 8.50.1 This Contract is subject to the provisions of the County's ordinance entitled Local Small Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.
- 8.50.2 The Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.
- 8.50.3 The Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.
- 8.50.4 If the Contractor has obtained County certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

### STATEMENT OF WORK (SOW)

#### 1. INTRODUCTION

For over a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- |                   |                         |
|-------------------|-------------------------|
| ➤ Responsiveness  | ➤ Integrity             |
| ➤ Professionalism | ➤ Commitment            |
| ➤ Accountability  | ➤ A Can-Do Attitude     |
| ➤ Compassion      | ➤ Respect for Diversity |

These shared values are encompassed in the County Mission to enrich lives through effective and caring service and the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The

County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no “wrong door”: wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, economic well-being, safety and survival, emotional and social well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community will continue to work together to develop ways to make County services more accessible, customer friendly,

better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

Los Angeles health and human service departments and their partners are working together to achieve the following ***Customer Service And Satisfaction Standards*** in support of improving outcomes for children and families.

#### Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

#### Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

#### Service Environment

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post complaint and appeals procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

Each month Contractor's performance will be compared to the Contract standards and Acceptable Quality Levels (AQLs). AQL is a measure to express the allowable leeway or variance from contract standard, above which County will reject a specific service. An AQL does not imply that Contractor may knowingly perform in a defective way. It implies that County recognizes the fact of unintentional human error. If defective performance exceeds the standards as stated in this Section, a Contract Discrepancy Report, Attachment 2, shall be issues and deductions and/or other action imposed.

County may evaluate Contractor's performance through any or a combination of the following monitoring methods:

Performance of a service listed in the Contract is considered acceptable when the number of discrepancies found by County during Contract monitoring does not exceed the number of discrepancies allowed by the AQL.

#### **Remedies for Unacceptable Performance**

When the Contractor's performance does not conform with the requirements of this Contract, the County will have the option to apply the

following non-performance remedies:

Require Contractor to implement a formal corrective action plan, subject to approval by the County. In the plan, the Contractor must include reasons for the unacceptable performance, specific steps to return performance to an acceptable level, and monitoring methods to prevent recurrence.

- Reduce payment to Contractor by a computed amount.
- Reduce, suspend or cancel this Contract for systematic, deliberate misrepresentations or unacceptable levels of performance.
- Failure of the Contractor to comply with or satisfy the request(s) for improvement of performance or to perform the neglected work specific within ten (10) days shall constitute authorization for the County to have the service(s) performed by others. The entire cost of such work performed by others as a consequence of the Contractor's failure to perform said service(s), as determined by the County, shall be credited to the County on the Contractor's future invoice.

In the event that Contractor has failed to perform in accordance with the standards set forth in section 10.2 above, the County may, at its option, wholly or partially terminate the Contract, secure services from any other source and pursue the remedy set forth in this Contract.

### JURY SERVICE ORDINANCE

**COUNTY OF LOS ANGELES CONTRACTOR EMPLOYEE JURY SERVICE PROGRAM  
APPLICATION FOR EXCEPTION AND CERTIFICATION FORM**

The County's solicitation for this contract/purchase order (Request for Proposal or Invitation for Bid) is subject to the County of Los Angeles Contractor Employee Jury Service Program (Program) (Los Angeles County Code, Chapter 2.203). All bidders or proposers, whether a contractor or subcontractor, must complete this form to either 1) request an exception from the Program requirements or 2) certify compliance. Upon review of the submitted form, the County department will determine, in its sole discretion, whether the bidder or proposer is excepted from the Program.

Company Name: <u>HEALTH MANAGEMENT SYSTEMS</u>		
Company Address: <u>401 PARK AVENUE SOUTH</u>		State: <u>NY</u> Zip Code: <u>10016</u>
City: <u>NEW YORK</u>		
Telephone Number: <u>212-685-4545</u>		
Solicitation For (Type of Goods or Services): <u>HEALTH INSURANCE INFORMATION SERVICES</u>		

If you believe the Jury Service Program does not apply to your business, check the appropriate box in Part I (attach documentation to support your claim); or, complete Part II to certify compliance with the Program. Whether you complete Part I or Part II, please sign and date this form below.

**Part I: Jury Service Program Is Not Applicable to My Business**

- ☐ My business does not meet the definition of "contractor," as defined in the Program as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract/purchase order itself will exceed \$50,000). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.
- ☐ My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exemption will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

"Dominant in its field of operation" means having more than ten employees, including full-time and part-time employees, and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

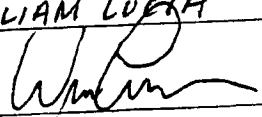

- ☐ My business is subject to a Collective Bargaining Agreement (attach agreement) that expressly provides that it supersedes all provisions of the Program.

OR

**Part II - Certification of Compliance**

- ☒ My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.

I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.

### **What is the Safely Surrendered Baby Law?**

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

### **How does it work?**

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

### **What if a parent wants the baby back?**

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

### **Can only a parent bring in the baby?**

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

### **Does the parent have to call before bringing in the baby?**

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

### **Does a parent have to tell anything to the people taking the baby?**

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

### **What happens to the baby?**

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

### **What happens to the parent?**

Once the parent(s) has safely turned over the baby, they are free to go.

### **Why is California doing this?**

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

### **A baby's story**

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

---

---

**Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.**

---

---

***It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.***

### **¿Qué es la Ley de Entrega de Bebés Sin Peligro?**

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

### **¿Cómo funciona?**

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre recibirá un brazaletes igual.

### **¿Qué pasa si el padre/madre desea recuperar a su bebé?**

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

### **¿Sólo los padres podrán llevar al recién nacido?**

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

### **¿Los padres deben llamar antes de llevar al bebé?**

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

### **¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?**

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

### **¿Qué ocurrirá con el bebé?**

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

### **¿Qué pasará con el padre/madre?**

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

### **¿Por qué California hace esto?**

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

### **Historia de un bebé**

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

---

**Cada recién nacido merece una oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele qué otras opciones tiene.**

---

***Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.***
